Best Power Accessories and Batteries Reviews by
September 23rd, 2016 - Electronics Batteries and Charging Need to power multiple devices in any situation or to keep your gear charged on the go. We’ve rounded up the best batteries and power accessories to keep your gadgets up and running whether you’re traveling, working, or just hanging out at home.

Charging a Laptop notebook with a portable power bank
April 21st, 2019 - Hello there! I’m not sure if that would work plus you would need a cable that plugs into the power port on your laptop and I’m not sure if they make portable power banks with the exact cable. I would recommend looking to see if they make a bigger battery for your laptop like a 9 cell battery as opposed to a typical 6 cell. I hope this helps.
