engineers should prepare for Careers Advice 27 November 2014 Careers Advice Draw

upon a specific example – one that showcases your strengths as an engineer such as
An engineer working a full-time job for example may simply not be able to take the time off. And even if they can, many won’t. If an engineer already has job offers in hand, they are less likely to be willing to take on the uncertainty of a work trial. We see this clearly among others.

What is an example of a role-playing interview question?

If you are working in a testing team as an engineer and there are repetitive issues in the code made by the development team, the client is unaware of the structure of your team and the responsibilities you handle.
