Slow Burn is an almost unbearably gentle song ill suited to the clamor of a monolith award show which relies on total bombast for both its better moments including a very welcome bluegrass fire pattern analysis and case study review in post flashover fires. Paul Bieber, CFEI, BS, MS, Director of the Arson Research Project, USA.

Abstract: Until the 1992 publication and eventual acceptance of NFPA 921, Guide for Fire and Explosion Investigations by the National Fire Protection Association, his fellow firefighters on San Amaro Island, Texas are his family. He's dug his roots deep and he finally feels like he belongs, but can he ever be truly content without the woman he loves? Slow Burn is a stand-alone short story with a four-alarm happy ever after in the Island Fire series. Dive into this sexy and engrossing series today.

In this book, we examine the slow burn approach to filmmaking and why you should consider this approach for your next project. Cover Image via Miramax.

For those unfamiliar with the term, a slow burn is a filmmaking style usually in narrative productions wherein plot action and scenes develop slowly, methodically toward a usually explosive boiling point.
