The mission of the Conewago Valley School District (CVD) is to support our school district's educational mission by providing a comprehensive school counseling program which will support educator effectiveness and professional learning. The core beliefs and philosophy of the CVD school counseling department are informed by the Connecticut guidelines for educator evaluation core requirements, adopted by the performance evaluation advisory council (PEAC). The latest from Super User April Superintendent's message mentions the district leaders' participation in a rainy but festive fun run to support our schools. Thanks to Golden West CU for sponsoring the event.

A seminal document that informed this process was the ASCA American School Counselor Association National Model. Throughout the writing process, the group also consulted practicing school counselors to ensure alignment with their practice as noted in the ASCA National Model. Today's school counselors are vital members of the education team. The goal statement for the 2014-2015 school year is to have 100% of all seventh and eighth grade students increase their knowledge of strategies to deal with bullying by 60% as measured by the anti-bullying assessment.

Personnel, e.g., school counselors, library media specialists, speech language therapists, all classroom-based teachers must have a student growth measure each year subject to the district's business rules. Teachers with a test score-based measure are not required to write an SLO for school. Individual counseling with...
