is running in Lithuania on November 2 through 14, exercise Trident Jaguar 2014 (TRJR14) has been recently conducted at several locations with the main exercise control (ExCon) location at JWC in Stavanger, Norway. NCIA Agency Squadron Stavanger (NCS) supported more than 400 military and civilian personnel from 29 countries. Defensive simulations such as the NATO drill however are particularly useful for smaller states. In November 2013, the Bank of England coordinated Exercise Waking Shark 2, a test of the British banking system when attacked by a foreign nation that wiped data from computers. Four NATO warships are in the Black Sea for annual Sea Breeze military drills with regional navies, but this year the number of participants has fallen significantly due to the civil war in Ukraine, which hosted the exercises in previous years. The JEF was established at the 2014 NATO Summit and launched a year later. It became fully operational with the signing of a comprehensive memorandum of understanding in June 2018. Exercises ongoing in the 6th and 7th Fleets which heavily leverage the skills, expertise, and support of your shipmates. Such mission integration efforts were recently displayed during the world's largest international maritime exercise, the 2014 Rim of the Pacific Exercise. A biannual joint and multinational exercise, a massive US-led military exercise involving 18,000 soldiers from 19 nations, primarily NATO members, kicked off Sunday along the alliance’s eastern border. Most of the articles listed below require access to online research databases which are available to staff working at NATO HQ. If you are unable to access the article's please contact the library.
