By May 1348 it had reached the thriving Italian city of Siena coming on top of a series of disastrous events including banking crises, bankruptcies, crop failures, and hailstorms. The misery and mass deaths caused by the black death were seen as a terrible warning of the wrath of God for the moral corruption of man.

The basics of heat cooking ultimately is about heat. How heat enters the food and what happens to the food when it enters. This article focuses on heat transfer in cooking or how heat is applied to and enters food. I won’t spend much time on the chemical reactions that occur in food during cooking.

In the minds of most people, Mexico is usually seen as a beach resort destination or a corrupt narco state ran by drug lords however the majority of people don’t know the truth about Mexico, its culture and its people.

In America today, mozzarella is the cheese of choice for pizza, lasagna and other baked Italian-American dishes. It’s a technique common to Tuva Inuit and Xhosa cultures but largely unfamiliar to us in western music.

Vanderbilt University informally Vandy is a private research university in Nashville, Tennessee, founded in 1873. It was named in honor of New York shipping and rail magnate Cornelius Vanderbilt who provided the school its initial 1 million endowment despite having never been to the South. Vanderbilt hoped that his gift and the greater work of the university would help to heal the sectional wounds of the Civil War.

How to Sing Two Notes At Once aka Polyphonic Overtone

October 14th, 2018 - Last year we drew your attention to the video above from Munich based singer Anna Maria Hefele in which she gives us a stunning demonstration of polyphonic overtone singing. It’s a technique common to Tuvan, Hawaiian, and Chinese cultures but largely unfamiliar to us in Western music. Many readers.
