how to prepare for the Monbukagakusho undergraduate
March 29th, 2019 – The tests are hard but manageable. You are not expected to perfect the exam. The threshold embassy lady told me that the average for the math exam is 36 out of 100 for the one that went through the interview phase. The Japanese exam is hard. I’m a self-taught Japanese learner passed N3 and still couldn’t do half the Japanese exam.

The MEXT Undergraduate Scholarship the Written Exam
April 26th, 2019 – According to what I heard the EJU syllabus is similar to that of this written exam. Train your mental calculation. Take note no calculator is allowed for maths amp science. So try doing all the papers above without using a calculator. Don’t worry though the answers would not involve complex calculations.
