There is a lot more to being a prophet than just having knowledge about the prophetic ministry. You need to be molded and shaped to become effective in the prophetic. This introductory course will help all students understand the prophetic calling and how to develop their gifts in line with their spiritual wiring. The course will cover the fundamentals of prophetic ministry, including how to hear the voice of God, how to prophesy, and how to work with other prophetic leaders. The course is designed for those who are interested in exploring the prophetic ministry and want to develop their gifts in a safe and supportive environment.
