Boston Consulting Group is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, age, religion, sex, sexual orientation, gender identity, expression, national origin, protected veteran status, or any other characteristic protected under federal, state, or local law where applicable, and those with criminal histories.

BCG vaccine can be administered after birth intradermally. BCG vaccination can cause a false positive Mantoux test although a very high grade reading is usually due to active disease. The most controversial aspect of BCG is the variable efficacy found in different clinical trials which appears to depend on geography. BCG found that companies who excel at innovation can solve the AI paradox of the ease of achieving powerful results with AI pilots and the difficulty of replicating those results at scale. BCG, Boston Consulting Group is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, age, religion, sex, sexual orientation, gender identity, expression, national origin, protected veteran status, or any other characteristic protected under federal, state, or local law where applicable, and those with criminal histories.
