answer options. This question asks you to produce a piece of opinion writing based on the set of exemplar texts. You are provided with a reading and a set of questions. You are expected to write a response on the same topic as the exemplar texts. The task is aimed at evaluating your understanding of the text, ability to form your own opinion, and your writing skills. You are required to answer the questions in a clear and concise manner, using your own words to express your thoughts and ideas. This question is designed to assess your ability to engage with the text, analyze it critically, and formulate a coherent argument. The response should be detailed and well-structured, demonstrating your comprehension of the text and your ability to synthesize information. The task is not only about responding to the questions but also about producing a balanced and thoughtful opinion piece.
April 18th, 2019 - For example, some test takers ask whether data collectors are your personal data managers and whether your test scores will be shared with others and test managers become standard procedures.

example example Twitter
