So much to tell you by John Marsden

The novel so much to tell you by John Marsden explores the concept of growth and change of the main character Marina. The novel is about her personal struggle to become whole again after the tragic events that have occurred prior to the beginning of the novel.

In the beginning of the novel, the protagonist Marina is an antisocial girl suffering from anorexia of speech. She is a girl whose soul has been shattered due to a traumatic event and being witness to a large amount of violence and hatred in her family.

The gripping war series which began with Tomorrow when the war began has broken all sales records for young adult fiction and was recently released as a feature film. So much to tell you originally published in 1987 was his first young adult novel, so much to tell you definitely explores the concepts of growth and change.

These concepts are illustrated through the main character Marina who transforms from an antisocial girl suffering from anorexia of speech to a more self-assured and happy outgoing character. The reader is perfect for the story; she just knows how to do it right, and surely doesn’t end at the end, but it’s a really wonderful book. I listened to this book in 1 sitting more than a month ago, and I am still thinking about it.

John Marsden literature essays quiz questions major themes characters and a full summary and analysis. The gripping war series which began with Tomorrow when the war began has broken all sales records for young adult fiction and was recently released as a feature film. So much to tell you originally published in 1987 was his first young adult novel, so much to tell you definitely explores the concepts of growth and change.
