tamaki created this coming of age graphic novel skip to main content cbc menu skim is kimberly keiko cameron a not slim would be wiccan goth stuck in a private, none of the characters seem overblown or outlandish and theres not a lot of the kind of unbelievable soliloquy that often inhabits the day in the life genre writer mariko tamaki saves that for the journal entry narration that interprets all events for us, this graphic novel is a winner skim is a unique creation by mariko
Tamaki, a Toronto-based writer and playwright, and her cousin illustrator Jillian Tamaki, formerly of Edmonton and now living in New York whose work has appeared in The New Yorker and Maclean's, Skim was first published in shorter form as a special, despite being fairly text-heavy compared to the few other literary graphic novels I've read. Mariko Tamaki is very efficient with her writing; more importantly, though, Tamaki manages to really capture the idioms of teenaged girls without sacrificing the depth and thematic impact of Skim's story. So all in all, Skim was a very enjoyable read. I chose to include Skim because it is a graphic novel that I am sure teens will like. It addresses teen issues that many can relate to. Graphic novels are very popular, and this would be a book that they may want to read just for the fact it is a graphic novel. I don't read graphic novels, so this was a nice change for me as well. Skim, the award-winning graphic novel by the cousin team of Mariko Tamaki, writer, and Jillian Tamaki, illustrator, unspools the life of sixteen-year-old Kimberly Keiko Cameron aka Skim as she navigates friendships, crushes, school, suicide, and depression. Summer Blues, Mariko Tamaki and Jillian Tamaki, the Skim co-creators, release the new YA graphic novel this one summer.
