navigation, what evolved over the next hundred years in the south was a society
where blacks were legally free but socially disenfranchised from an equal
education and equal economic opportunities the relationship of the blacks to
whites depicted by faulkner in the sound and the fury reflects that social and
economic divide, like other faulkner novels absalom absalom allegorizes southern
history the title itself is an allusion to a wayward son fighting the empire his
father built much like the biblical story of king david and absalom the history
of thomas sutpen mirrors the rise and fall of southern plantation culture, the
sound and the fury a scant generation removed from slavery who will take abuse
from their white employers because there jess ain t no reckinin wit da white
colored folks ways even though this final section is written in a much more accessible
and straightforward way there are still curious passages like this, in the sound
and the fury adulthood manifests itself as illness bad health is the primary
reason for all life mr comson teaches his children one by one the adults in the
book fall ill damuddy was sick father was sick uncle maury was sick mothers sick
again , caddy smells like trees benjy this quote is repeated several times
throughout the benjy section of the novel and it is important for several
reasons, the sound and the fury is undoubtedly difficult and challenging but not
impossible to read as long as one knows the key details i ve mentioned and the
experience can be hugely rewarding and english migration to america bracketed by
the dispossession of the indians and by the heritage of the curse of slavery, the
sound and the fury and beloved the novel the sound and the fury a work of genius
william faulkner was published in 1929 it was his 4th novel and to date is
considered one of the strongest works of fiction of high modernism faulkner 1 in
america for faulkner this book for very close to his heart as it caused him the
most pain and anguish faulkner 27, as slavery is forever entwined with the souths
history it only makes sense that race would be one the main themes faulkner would
tackle however faulkners writing and treatment of race relations drastically
evolved from the beginning to the end of his career the sound and the fury before
moving front and center in light in august, told by an idiot full of sound and
fury signifying nothing enter a messenger thou comest to use thy tongue thy story
