Building a raised garden box to grow food for your family is a fun project and a healthy way to provide produce. It will save you money, time, and involves lesser effort than digging an in-ground garden.

Learning how to design a small garden plan is quite simple when you know the right techniques to use. Taking advantage of the limited space available, tiny garden designs can incorporate all of the same unique features, styles, and luxuries of a large outdoor living area but simply modified to be appropriate for smaller yard spaces.

Mantis introduced the first small tiller nearly 40 years ago, and we've remained at the forefront in providing big results from a mini tiller. Our customers have relied on Mantis tillers to help them grow great gardens and keep their lawns and backyards looking their best since 1980.

If you plan it right, you can enjoy a beautiful vegetable garden without having to spend hours tending to it. When deciding what to plant in a beginner vegetable garden, it's best to start small. Many gardeners can get too excited at the beginning of the season and plant more warm-season vegetables.

Sure you can feed the family from the garden through the growing season, but what about in the winter? Tomatoes, for example, can be made into sauce, salsa, or dehydrated—or all three. Remember that low-acid foods will need acid added or to be pressure canned and always use a current, accurate canning recipe. Some easy vegetables and fruits for beginning canners are apples, berries, cucumbers.

A garden shredder can save you money on skip hire or numerous trips to the council tip. They're also great for reducing piles of everyday prunings into woodchips that can be used in the garden. Garden shredders start from about £100 and go up to more than £400.

Discover six strategies for landscaping a small backyard. See examples of small outdoor living spaces and find out how they make the most of limited space. Small garden landscapes are incredibly detail oriented. Whether the garden is gracing a condominium, a tiny bungalow, or a rooftop, there is a way to create good feng shui in your garden design or energy map of your home as your garden bagua is an extension of your home bagua.
